

Contribution Pledge Card

The number one goal of the Florida Society of Ophthalmology (FSO) is to protect our patients and our profession. We have established programs that enable the FSO leadership to educate the Florida Legislature on major issues affecting our profession and to help deter legislative encroachment by unqualified personnel. FOCUS is the FSO political committee (PC). In order to be successful in our legislative efforts, FOCUS needs support by way of financial contributions. If we are not working to elect candidates who are friendly to the profession of ophthalmology, someone else will support candidates who may not be interested in protecting the integrity of our medical license.

Please consider making a one-time donation or sign up for an automatic monthly deduction on your credit card. All contributions to FOCUS are used to further the legislative agenda of the FSO. Please complete the form below to make your contribution today. Without support from the PC, the ophthalmology profession is at risk in Florida.

Refund Policy: Contributions made to FOCUS are non-refundable. PC contributions are voluntary. Every member of the FSO is encouraged to make a contribution to FOCUS each year to solidify and strengthen our overall political strategy. A contribution at any level is welcome. Contributions to PCs are not deductible for federal income tax purposes.
